Études et Dossiers No. 326

The Insurance Industry: Risk Governance and Solvency II

Milan, 28 November 2006

&

A Reputational Risk Management Framework

Report prepared for The Geneva Association
and Macros Research

by Dr. Riccardo Bigio

April 2007

Working Paper Series of The Geneva Association

© Association Internationale pour l'Etude de l'Economie de l'Assurance

The Geneva Association Working Paper Series “Études et Dossiers” appear at irregular intervals about 10 - 12 times per year. Distribution is limited.

The “Études et Dossiers” are the working paper series of The Geneva Association. These documents present intermediary or final results of conference proceedings, special reports and research done by The Geneva Association. As they contain work in progress or summaries of conference presentations, the material must not be cited without the express consent of the author in question.
