

CALL FOR PAPERS

The Geneva Association is pleased to announce a special half volume on

Insurance Issues in Asia

of

The Geneva Papers on Risk and Insurance – Issues and Practice

July 2010

We encourage you to submit contributions related to insurance issues in Asia on subjects including, but not limited to:

- The new service economy of social security, insurance, savings, pension and employment;
- Questions related to regulation, supervision and international co-operation of insurance and financial services as well as other legal issues of importance;
- Health and longevity provision and the role of insurance, with an emphasis on the changing demographic structure;
- Tools of risk assessment and risk management in new fields of application, such as industrial risks, climate change risks, operational risks, etc.;
- The function of finance in insurance; and the relevance of financial concepts and instruments to insurance.

Suggestions for other topics may be considered by the editors.

All contributions will go through a refereeing process.

Papers should be submitted electronically via the website of *The Geneva Papers* (<http://gpp.msubmit.net/cgi-bin/main.plex>) by **20 December 2009** at the latest.

For further information on this special issue, please contact Samantha Solida at samantha_solida@genevaassociation.org.
