

The Geneva Association Ernst Meyer Prize 2023 *Call for Applications*

The Geneva Association awards the prestigious Geneva Association Ernst Meyer Prize annually for university research work in the form of a **doctoral thesis** that makes a significant and original contribution to the study of **risk and insurance economics**.

The Judging Committee for the Ernst Meyer Prize comprises Professor Christophe Courbage, Professor Andreas Richter and Professor Richard Watt. Previous winning theses have focused on topics such as health insurance plan design, behavioural aspects of product design and demand in retirement savings, and the insurability of catastrophic risks. A full [list of past winners and their thesis titles](#) is available online.

Requirements:

- The thesis should **have been accepted by the PhD Committee** in 2022 (the calendar year preceding the submission deadline).
- Submissions are possible in one of the following languages: **English, French, Spanish, German**.
- The prize is **CHF 5,000**.
- The deadline for applications for the 2023 Ernst Meyer Prize is **20 January 2023**.

Applications for the award should include all of the following:

- an electronic version (PDF) of the thesis
- an English language abstract of 1,000-1,200 words
- two recommendations (written in English), each providing a review of the submitted work
- curriculum vitae in English.

Applications should be sent to ErnstMeyerPrize@genevaassociation.org
